Sir:

The undersigned, Examiner Ostrup and SPE Yu had an interview on September 23, 2008 regarding the executed Declaration and Power of Attorney submitted for the above-identified patent application. During the interview, the undersigned advised, as stated in the last written submission, that the executed Declaration and Power of Attorney was altered prior to execution by the inventors. The Examiner and SPE found this insufficient and required a new executed

Declaration and Power of Attorney.

Respectfully submitted,

Dated: Oct 2, 2008
